

**Notice of Establishing Assessment Groundwater Monitoring
40 CFR §257.94(e)(3)
GRAND HAVEN BOARD OF LIGHT AND POWER
J.B. Sims Generating Station
Unit 3 Bottom Ash Ponds East (A) and West (B)**

Pursuant to 40 CFR §257.94(e)(3), this serves as notice that an assessment monitoring program will be established at the Grand Haven Board of Light and Power (Grand Haven BLP) J.B. Sims Generating Station Unit 3 Bottom Ash Ponds East (A) and West (B) located on the southwestern portion of Harbor Island in Grand Haven, Michigan, and designated as Unit 3 Bottom Ash Ponds East (A) and West (B). Assessment monitoring is being initiated based on groundwater quality data for applicable Appendix III constituents as documented in the Annual Groundwater Monitoring and Corrective Action Report that was placed in the facility's operating record on January 30, 2018. Grand Haven BLP will complete assessment monitoring activities as required in 40 CFR §257.95 for Unit 3 Bottom Ash Ponds East (A) and West (B).
